Library Card Application/Eligibility Process

Welcome! We are very pleased that you have selected **Oxford Public Library** as your preferred source for information. Before we begin processing your application for a library card, please note that the following information will be required as part of our verification process:

Do you reside in either Oxford Township or Village of Oxford?

Yes, great! Please show your picture ID with your current address to the library staff, complete and sign an application form and you will be on your way to checking out material.

New to Oxford, but your picture ID still has your old address on it?

If you are new to our community, but have not yet had the time to change your address on your picture ID, you are still eligible for a library card. However, you will also be required to verify your residency by showing a piece of mail (e.g., a utility bill, a tax bill, or a check, with your name and new address displayed on it).

Do you have an Oxford mailing address, but reside and pay property taxes in Addison Township, Brandon Township, or Orion Township?

Not a problem, we may be able to help. The Oxford Public Library has an agreement with your local community library to provide library service at no cost to you. You may be eligible to check out material, but we do require that you have an active library card with your home library first. Once you have completed this process, you may return to us with your library card and apply for privileges to check out material from our facility. You will still be required to show your picture ID and your library card from your home library before we can complete your application.

Do you have an Oxford mailing address, but reside and pay property taxes in Lapeer County?

Not a problem, we may be able to help. The Oxford Public Library has an agreement with Lapeer County libraries to provide library service at no cost to you. You may apply for a non-resident card that will be valid for one-year. It may be renewed on an annual basis pending you have not moved out of Lapeer County and that you are in good standing with our library. You will still be required to show your picture ID before we can complete or renew your application.

Do you live in a community outside The Library Network's (our cooperative's) service area?

Not a problem, we may be able to help. The Oxford Public Library participates in the MiLibrary Card program. You may be eligible to check out material, but we do require that you have an active library card with your home library first and that you have obtained a MiLibrary Card status on your card. Once you have completed this process, you may return to us with your library card and apply for restricted privileges to check out print material only from our facility. You will still be required to show your picture ID and your library card from your home library before we can complete your application.

Do you live in a community outside the State of Michigan?

Yes, don't worry! You may still use our facility and public access computers. However, you are not eligible to apply for a library card to checkout material unless your home library participates in MiLibrary Card program and you are in good standing with your home library.

You must be at least 18 years of age to apply for a library card. Anyone under 18 years of age will require a parent or legal guardian to be present at time of application.
